flower.
What do
you smell?

Delicate,
feathery
leaves

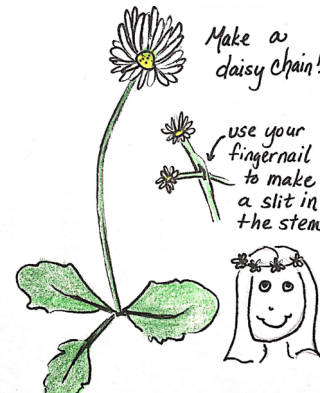

HEAL-ALL

This little plant
can kill germs
when crushed
into a paste!

Feel the
square stem

ENGLISH DAISY

Make a
daisy chain!

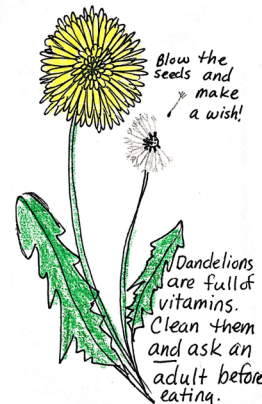

use your
fingernail
to make
a slit in
the stem.

PLANTAIN

Plantain
can help heal
bee stings,
cuts and
infections.
Crush it
into a paste
to use!

DANDELION

Blow the
seeds and
make
a wish!

Dandelions
are full of
vitamins.
Clean them
and ask an
adult before
eating.
