

Our mission:
**To foster action to protect, enhance, restore and revitalize
the Slough and its watershed.**

Any group or person wishing to secure a letter of support from the Columbia Slough Watershed Council (CSWC) must take the following steps:

1. Read the mission of the CSWC and relate the proposed letter of support to the mission.
2. Be sure the action requested by the letter of support effects, impacts, or is involved with an issue related to the Columbia Slough watershed.
3. Contact the CSWC Executive Director by e-mail or telephone. Discuss the request with the Executive Director. Provide written background material. At least two weeks prior to the next council meeting, provide a draft of the proposed letter of support.
4. Through the Executive Director, provide the draft proposed letter of support and background materials to the council members.
5. Plan to attend the council meeting to further discuss the draft proposed letter of support and answer any other questions.

Please Note:

Under the bylaws of the CSWC all board actions on policy matters are decided on a consensus basis.
